## BRIDGE BUSINESS CENTER Bristol Township

The project consisted of the redevelopment of a 29 acre parcel formerly part of the Rohm & Haas holdings in Bristol Township. The project proposed the demolition of five existing buildings, construction of two buildings consisting of roughly 60,000SF of industrial research and development office space and the renovation of over 170,000SF of existing buildings. The project was awarded a 1.25 million dollar grant from the State of Pennsylvania secured through the Bucks County Redevelopment Authority. The site design incorporated underground infiltration trenches, rain gardens, road reconstruction, porous paving, new internal parking layout to incorporate a more attractive landscaping and lighting layout.
