

GILMORE & ASSOCIATES, INC.

FULL SERVICE CIVIL ENGINEERING & CONSULTING

2010 ROAD PROGRAM Warminster Township, PA

Warminster Township's 2010 Road Program consists of roadway milling, asphalt overlay, and accessible curb ramps funded through Liquid Fuels and Community Block Development Grants (CDBG). The 2010 Program involves multiple municipalities, as Warminster Township and Upper Southampton Townships are working together to resurface Davisville Road.

Services Provided by G&A

- Preparation of Project Scope and Specifications
- Survey
- Curb Ramp Design
- Contract Administration and Management
- Funding Coordination/Administration
- Construction Administration
